

Installare il Plugin Squeezol Split per Prestashop

1) Scarica il plugin di Squeezol al link:

<http://addons.prestashop.com/it/pagamento-prestashop-moduli/19801-squeezol-split-paga-con-squeezoldividi-con-gli-amici.html>

2) Apri il file .zip e copia il contenuto nella cartella "Modules" presente nella directory del sito.

3) Registrarsi su <https://sandbox.squeezol.com> (per l'account test) o su <https://www.squeezol.com> per quello di produzione, andare su <https://www.squeezol.com/api/partner/join> (produzione) e seguire la procedura per creare l'account e ottenere Application ID e Application Secret KEY. Inserire:

a) L'Url del sito ad esempio: <http://www.yourprestashopstore.com>

b) Callback Url, nella forma:

<http://www.yourprestashopstore.com/modules/squeezolpayments/controllers/front/callback.php>

c) IPN Url, nella forma:

<http://www.yourprestashopstore.com/modules/squeezolpayments/controllers/front/ipn.php>

Risoluzione dei problemi

1. Controllare che tutti gli Url abbiano http:// o https://
2. Callback Url non dovrebbe avere "/" finale
3. Contattare Squeezol tramite la piattaforma Prestashop per il supporto.

Plugin Squeezol Split setup for Prestashop

1) Download the Squeezol's plugin at link:

<http://addons.prestashop.com/it/pagamento-prestashop-moduli/19801-squeezol-split-paga-con-squeezoldividi-con-gli-amici.html>

2) Open the .zip file and copy the entire content into the "Modules" folders located in the root directory of your website.

3) Sign in on <https://sandbox.squeezol.com> (to get a test account) or on <https://www.squeezol.com> (to get a production account).

Go to <https://www.squeezol.com/api/partner/join> (production) and follow the instructions to create an account and you will get the Application ID and the Application Secret KEY.

You have to insert the following data:

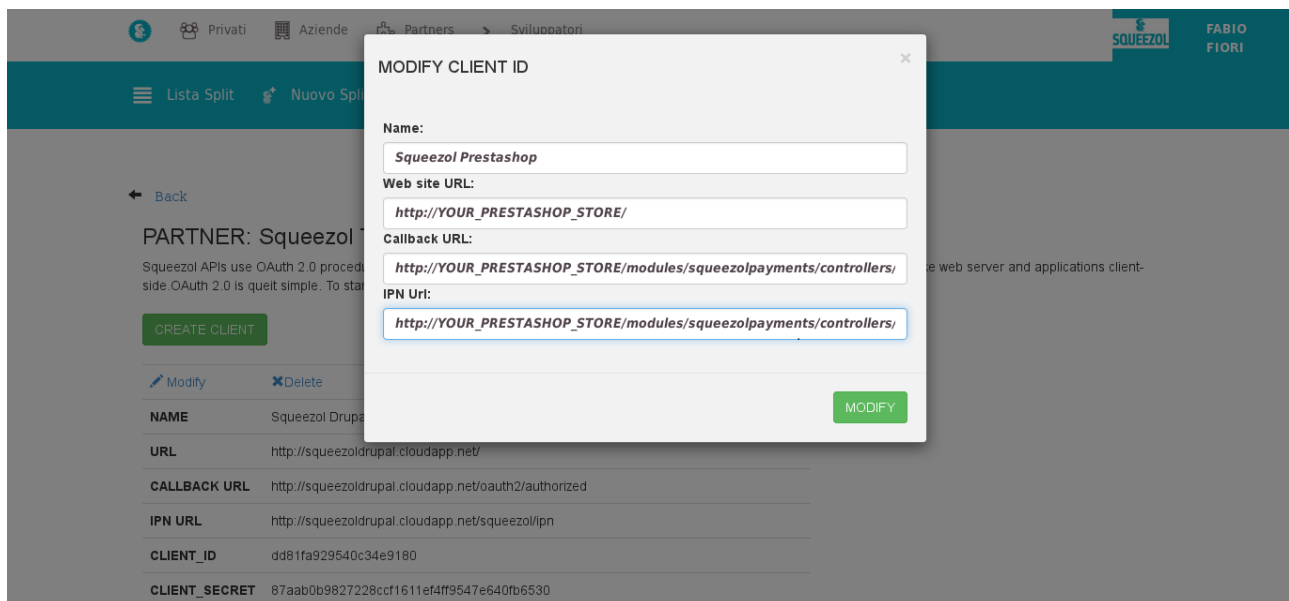

a) Url of your site, for example: <http://www.yourprestashopstore.com>

b) Callback Url, it looks like:

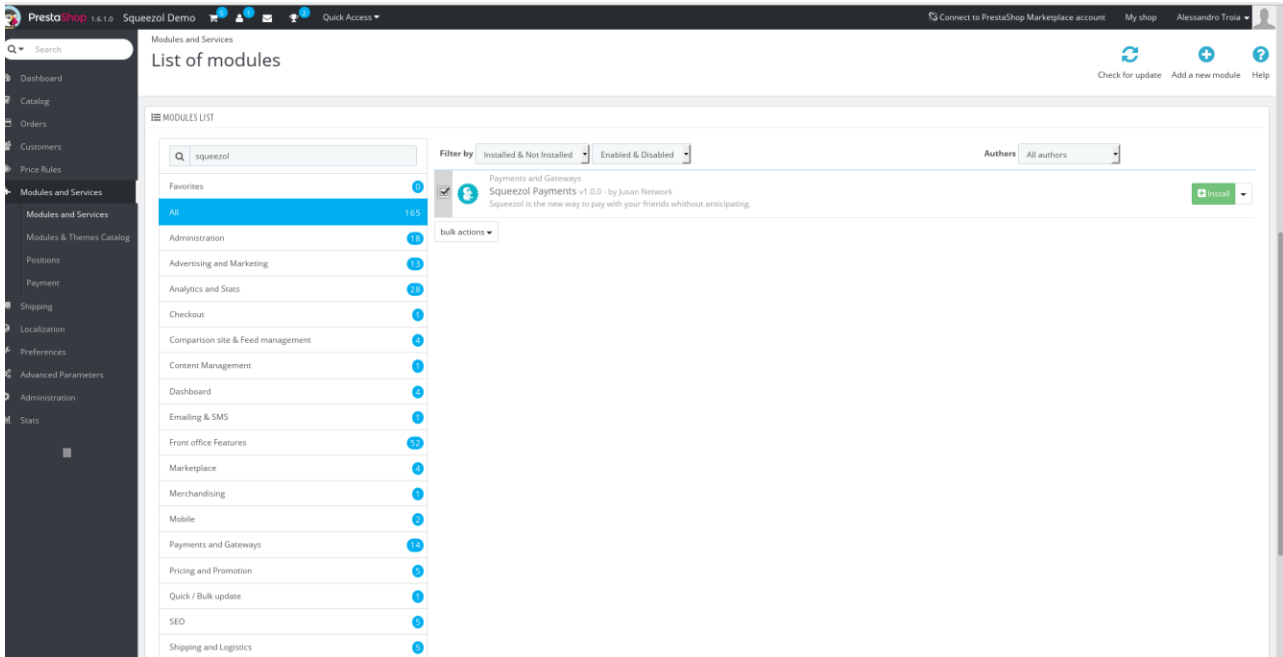

<http://www.yourprestashopstore.com/modules/squeezolpayments/controllers/front/callback.php>

c) IPN Url, it looks like:

<http://www.yourprestashopstore.com/modules/squeezolpayments/controllers/front/ipn.php>

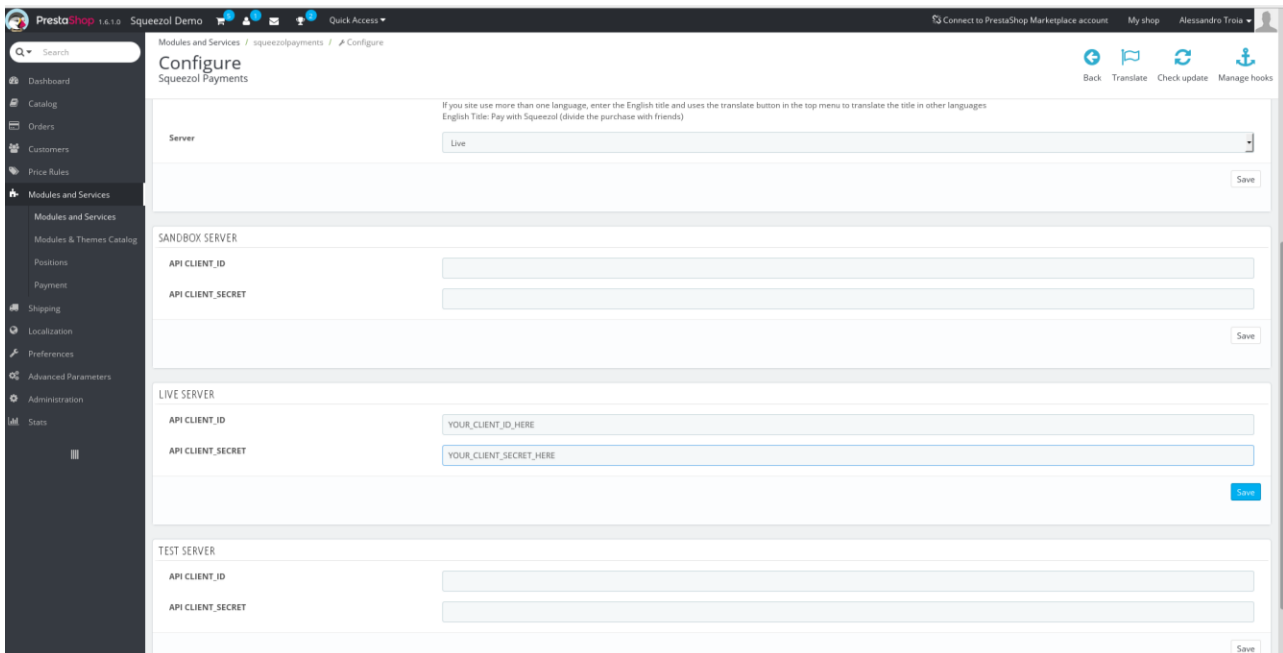

4) Go to **Store-> Modules**. Find Squeezol Split, click on **instal**.

After installation, click on **configures** and insert the CLIENT_ID and CLIENT_SECRET in the right section sandbox/production and click on **save**.

The test server is dedicated to API developers. For this reason please don't use it for the plugin.

5) In both cases of point 3) write to Squeezol support on Prestashop platform to start the plugin activation.

Troubleshooting:

1. Check the Url have http:// o https://
2. Callback Url should not have the trailing slash
3. Contact Squeezol support on Prestashop platform
